

THESE LOCAL PEOPLE ARE USING THEIR COUNCIL VOTES TO **MAKE A DIFFERENCE**

FOR THE COMMUNITY IN MORETON AND SAUGHALL MASSIE

Read their stories to find out why...

Les Spencer
Saughall Massie Village

“ Steve, Chris and Bruce worked with us to try to save the Green Belt at Saughall Massie and gave us fantastic support throughout the campaign.

Labour Councillors let us down badly and that won't be forgotten by people around here.

When there's a big issue in our community, we need councillors who put the needs of local people first, and Party politics second. ”

Debbie Walters
Town Meadow Lane

“ I have one of the shops on Town Meadow Lane and you meet a lot of people who appreciate what Steve, Chris and Bruce do for us.

Whether it's the community litter picks or the bigger issues like scrambler bikes, Steve Chris and Bruce are on our side.

I'm voting for Steve so they can continue their work for all of us. ”

DID YOU KNOW?

1 In 2018, local Conservative councillors in this constituency submitted an average of 108 problems and issues for action by the Town Hall. Labour Councillors submitted an average of just 34. That means areas with local Conservative Councillors get a better service for the money they pay in Council Tax.

2 Steve, Chris and Bruce are visible in our community and also have a high attendance record at the Town Hall. When this area was represented by Labour councillors, they were hardly ever seen and rarely spoke up for residents.

3 Unlike Labour Councillors, Steve, Chris and Bruce do not claim expenses for things like travel, meals or subsistence. And, unlike Labour, they don't use the money you pay in Council Tax to employ consultants or spin doctors.

THREE THINGS TO REMEMBER WHEN CHOOSING YOUR COUNCILLOR:
Turn over

The choice on 2nd May:

How people vote in the Council elections will decide whether Wirral has Militant-led Labour Party in control or a balanced council where all the parties, and all councillors, have to work together.

The last time Militant and a hard left, extreme Labour Party ran a local council was in Liverpool under **Derek Hatton**.

They scared away investors, jobs were lost, services declined and taxes went up for everyone.

Now, in Wirral, the same thing is about to happen here.

There are many traditional Labour voters who are appalled at what their party has become.

Respected people like **Frank Field MP** have been forced out.

Regardless of how you have voted in the past, this council election, this year, is different.

Only with your vote can we stop Wirral going down the Militant Liverpool road to ruin.

That's why your vote for Steve Williams matters to our community this time.

“ I'm backing Steve because, along with Chris and Bruce, they are a great team for our community.

No problem or issue is ever too much trouble and they are always around, helping out and supporting our local community groups.

They've been a massive help to us with the Christmas Lights Appeal, whether it's with raising the money or sorting out the red tape at the Town Hall.

At a time when national politics has never had a worse reputation, it's important to keep those who do a good job for us locally. ”

Angela Pouncey
Moreton Christmas Lights

Chris and Sandra Lakin
Millhouse Lane

“ “The Millhouse Lane is badly served by public transport - we need more bus services and a new train station.

Steve and the team are fighting for us on these issues, especially now that we have a Metro Mayor in Liverpool raising extra Council Tax. We need councillors who will lobby for a share of that money for our area. Labour won't - you only ever see them at election time.” ”

“ Steve Williams is a good, local councillor. He can't solve every problem, but I know he always tries his best.

I work in the NHS and the people who really make a difference are those who are passionate about what they do. It's the same in the Council and that's why we need to keep Steve working for us. ”

It doesn't matter how you vote in a General Election, the council election is about who works hardest for you on local issues.
